

# CAMPING

## Outdoor Camping variety options.

We at PBC are India's FIRST Caravan Manufacturers to make the only expandable Camper van in India! The design of the Camper Van is totally new and path breaking! All the design aspects are practical and user friendly. The Camper Van can be easily parked in the stilt parking of your Bungalow or Apartment. Driving it feels like a car and can sleep 4- fully grown Adults 6'5" tall and is ideally suited for a small family. The vehicle is a Production vehicle built by PBC. On the Tata TL 4X4 Crew cab and is aptly called "ECAMP"
