

Food Truck

~~Custom Floor Plans~~
~~Amazing Prices...~~

A food truck is a large or small vehicle equipped to cook and sell food. Some, including ice cream trucks, sell frozen or prepackaged food; others have on-board kitchens and prepare food from scratch. Sandwiches, hamburgers, French fries, and other regional fast food fare is common. In recent years, associated with the pop-up restaurant phenomenon, food trucks offering gourmet cuisine and a variety of specialties and ethnic menus, have become particularly popular.

At PBC, the customer really does come first. PBC has experience working with small budgets of new entrepreneurs looking to get into their first business as well as manufacturing high-end custom vehicles for the more seasoned restaurant operator. Even if you have general questions, give PBC a call. Their passion for helping mobile food entrepreneurs shows through immediately. View past builds, listen to interviews, and watch the videos below and you'll get a clear sense of what these guys are all about. Then give a call.
